

SHARE A BOOTH AT LAVAL VIRTUAL - INTERNATIONAL VIRTUAL REALITY EXHIBITION

MARCH 28 TO MARCH 30, 2012

You are a company specialized in Virtual Reality, Augmented Reality and/or 3D and wish to present your know-how to customers coming from all over Europe?

You want to benefit from a perfect visibility, a more extensive network and an effective communication?

We offer you the opportunity to share a booth with the EU [Open Innovation Project](#) and EU VR Networks companies to extend your visibility and meet EU VR companies.

[LAVAL VIRTUAL](#) is the n° 1 European meeting-place for Virtual and Augmented Reality, Real-Time 3D and interactive techniques with **85 companies exhibiting** and **4,300 professional visitors**.

You'll be able to attend every part of the Laval Virtual rich and diversified program:

- Professional exhibition
- INTERNATIONAL NETWORKING DAY (March 27 and 28): be connected to the Laval Virtual Reality Cluster and international VR companies
- VRIC : Virtual Reality International Conferences (additional fee)
- VIRTUAL FANTASY : student competition
- LAVAL VIRTUAL AWARDS
- REVOLUTION : demonstration exhibition
- General public exhibition on the weekend

☆ Useful information :

- **Price:** around **800€** all included by participating company (for 4 companies participating).
- **Place :** [Salle Polyvalente](#) Place de Hercé 53000 LAVAL
