

## INTERNATIONAL NETWORKING EVENT

AT LAVAL VIRTUAL INTERNATIONAL CONFERENCE ON VIRTUAL REALITY & CONVERGING TECHNOLOGIES

MARCH 27 TO 30, 2012

**You are a company working in Virtual Reality, Augmented Reality and/or 3D and wish to make new contacts, meet VR, AR & 3D companies and users and potentially engage projects?**

Laval Virtual, Laval Mayenne Technopole and Enterprise Europe Network invite you to visit the **LAVAL VIRTUAL EXHIBITION** and to attend **2 NETWORKING ACTIONS**:

- ☆ **LAVAL VIRTUAL EXHIBITION** from **March 28 to 30**: n° 1 European meeting-place for Virtual and Augmented Reality, Real-Time 3D and interactive techniques with 85 companies exhibiting and 4,300 professional visitors.
  - **CLARTE**: Virtual Reality platform visit
  - **VR Mix**: Virtual Reality Conferences (extra fee)
- ☆ **INTERNATIONAL NETWORKING CRUISE DINNER** on **March 27** from 8 PM on the Vallis Guidonis Boat with companies, research labs and universities.
- ☆ **INTERNATIONAL NETWORKING DAY** on **March 28** at the Laval Virtual Exhibition to stimulate and generate partnerships (technological, business, research) between foreign and local participants.

Before D-Day, you will be provided with the list of participants and will be able to identify the professionals, users and potential users you have to meet and exchange around Virtual Reality, Augmented Reality and 3D.

Attendees of the networking: local members of the Laval Virtual Reality Capital (24 structures and 200 experts and professionals), European Clusters, companies, universities and labs.

**Take the chance to create new contacts and engage projects!**
